MARATHON MAN SHOWS DIRECTOR HOW — George Boyd, left, marathon dancer, shows Dorie Hubbard, Antioch Senior Center Director, how it's done.—Photo by Gloria Davis.

30's 'Marathon Man' still has dancin' feet

by GLORIA DAVIS

Dorie Hubbard, director of the Antioch Senior Center, had often told me about the many interesting seniors using the center's facilities, mentioning in particular a gentleman that had been a marathon dancer in the days of those grueling dance contests.

George Boyd, 78, a retired conductor for the Northwestern Railroad, still loves to trip the light fantastic any time and any chance he gets, going dancing, at least twice a week, mostly at senior functions.

The wiry elderly gentleman smiles as he reminisces about that contest in 1931 at the Pershing Ballroom on Chicago's south side, when he and two partners danced for 3,100 hours or three months straight, winning \$8,000.

His first partner dropped out after 1,700 hours and another young lady named Ione Cameron did the Charleston, the black bottom, the big apple and the rhumba with Boyd to win the contest.

To prove his whole story he proudly displays the article done on him in the Chicago Sun Times.

"Times were hard and frankly I did it for the money," he admits, adding that he danced weeks away at ballrooms in New York City, St. Paul, Minneapolis and Tulsa, Okla.

"We got a rest break for 10 minutes every hour when we'd get our feet rubbed and catch a nap," he said describing the marathons, adding that they ate while they were dancing.

Cost puts township room addition on hold till '85

According to Antioch Township Supervisor Jim Fields the planned addition to the township building will most probably be held off for another year.

Plans are to add a \$50,000 addition to the north end of the building so the township assessor and the supervisor can each have separate office space.

"We're running out of space here," said Fields.

He added that the \$32,500 allocated for the project in the 1983-84 budget, some of that coming from federal revenue sharing funds, will be set aside and another \$17,500 added out of the 1984-85 budget to cover the

Chain - Fox Agency bill gets Senate okay, 56-0

Legislation which provides for a referendum to create the Chain O'Lakes-Fox River Waterway Management Agency, sailed through the Illinois Senate 56-0.

"There is a great deal of support for creation of a water management agency in our area," State Sen. Jack Schaffer (R-Cary) said. "I am pleased that this bill received bipartisan support and I am hopeful that the voters of Lake and McHenry Counties will be permitted to vote on a referendum in the March, 1984 primary election."

If the voters approve a referendum, some of the

responsibilities of the agency will include: implementing programs to maintain and improve the recreational waterway; adopting user fees for recreational uses after public hearings are conducted; and using federal, state, county, and local government funds to protect and improve the waterway functioning.

The agency will be under the direction of a seven-member board of directors who will serve staggered four-year terms. The members will be elected at the November, 1984 general election with three directors

each from Lake and McHenry County and one chairman elected at-large.

On a similar bill passed in the Senate, the McHenry Lock and Dam and Mississippi Dam will remain open and work will continue for employees there as a result of SB 1056 sponsored by Senator Schaffer. This bill will allow boat fund money to be used for the operation on the lock.

"Due to tight fiscal constraints in the state's general revenue fund, payment of operational expenses for recreational boating facilities at these two dams were not a sure thing," the northern Illinois lawmaker said. "However, through the Boat Registration and Safety Act we were able to allocate enough money to keep the operations from closing down."

Both bills now go to the House of Representatives for consideration. It is sponsored by Representatives Dick Klemm (R-Crystal Lake), John Matijevich (D-North Chicago), Robert Churchill (R-Lake Villa) and Dan Pierce (D-Highland Park).

ADULT ORTHODONTICS

Q. Is it true that many adults today are wearing braces? How do they benefit from orthodontics?

A. Out of 4 million Americans fitted with braces each year, 15 to 20 percent are somewhere between ages 20 and 60, and an even greater percent of adults need treatment to correct improper positioning of teeth and jaws. Corrective changes are apparent in before-and-after photos of adults whose appearances have improved dramatically.

Moving teeth and making room for normal-sized teeth can be accomplished with minor orthodontics. It is also possible to upright tilted teeth so their biting pressures are no longer destructive. When replacing missing teeth with older patients, orthodontics can also be a part of a restorative process.

Many a person in the public eye has benefitted, particularly since today's braces are barely noticeable.

Real estate sales on new upswing

Century 21 Michael Warren & Co. in Antioch, reports 48 sales in the month of May with a total dollar volume of almost \$3 million.

"We are seeing a tremendous surge of buyers coming into our office. Many of them state that they are buying now because they fear home loan rates will rise in the fall," states Mike Warren,

owner.

Warren goes on to caution home owners with mortgages held by the Federal Home Loan Mortgage Corp. (used by most Savings and Loan Assns.) that these loans will no longer be assumable after July 1, 1983.

Until that time, all loans held by Freddie Mac

(FHLMC) are assumable as long as the borrower is judged to be creditworthy.

Seven staff members of Century 21 Michael Warren & Co. won the coveted monthly Century 21 Club award, with Sharon Young the winner. Included Betty Pauley, Cynthia Suforna, Sandee Randa and Eva Hawryluk.

When I think about it Gloria will accept any bloomin' thing

by GLORIA DAVIS

When you read this, the person with the blackest thumb you know will have done her usual Memorial Day landscaping. This consists of planting three, four foot rows of blooming petunias in our rock garden and placing pots of blooming geraniums in strategic places around the outside of the house.

I insist on flowering plants because this almost guarantees that I will see at least one set of blooms since the healthiest plants have been known to wither the minute they are in my possession.

I once sent for \$30 worth of plants from one of those catalogues. My order that included a 12-foot pivot hedge and several exotic trees, arrived in one envelope.

But, not to be daunted and with the use of my trusting magnifying glass so I could see what I was planting, I dug or should I say blasted 25 holes in the cement-like clay that is our yard.

Then I planted 25 sticks and dutifully watered them daily.

What fun, what satisfaction, as I watched those 25 tiny sticks turn into 20 smaller sticks inside of just a few months. Five were casualties of kids cutting through the yard.

The only plants that flourish in our yard are the willow and maple sapplings whose roots choke our well and sewer connection and crabgrass, miles and miles of healthy crabgrass.

Oops! I forgot. I've got another hearty

plant that blooms at least six times a summer in my rock garden, despite the fact that I completely ignore its existence.

I have this strange deep velvety red rose bush that appeared 10 years ago from nowhere, wrapped in moss, laying on the wall of the rock garden.

It laid there over two months until I finally planted it after it had begun blooming in the moss.

I think this is really a creature from outer space because it defies all attempts at destruction, namely my beathing on it, and goes on flourishing year after year, untouched by the fact that it goes through every winter completely unprotected.

Don't get my wrong, I love garden flowers and if someone could find me a gardener that works cheap, say for nothing, plus a lot of my charming company and a frozen dinner for lunch, my yard would be a flowering fairyland painted with a thousand lilac and peony bushes, hundreds of tulips, tons of gladiolas, lots of those fall "firecrackers" and roses and more roses everywhere.

Life being the bummer that it is my inherent lazy nature has again conquered all temptations to play Mary Mary Quite Contrary.

I may be doing without a lot of nature's beauty but I'll also be bypassing a lot of aches, pains and mosquito bites as I lay on my lounge, surrounded by my potted geraniums and a few pitiful petunias, leafing through the latest seed catalogues.

FIFTY YEARS AGO: June 8, 1933

Lewis Brickway, Lake County recorder, married his deputy clerk for 33 years, Anna Botsford.

TEN YEARS AGO: June 6, 1973

An ordinance was passed to prohibit smoking in the village chambers during village board meetings.

Sequoits bow to Raiders

The Antioch Sequoits baseball team lost the regional championship game to Waukegan West, 7-4, at Bowen Field, on Tuesday, May 31.

That finishes Antioch's season with a 17-4 overall record and Antioch took first place in the Northwest Suburban Conference in the last year of play for that conference.

The Sequoits move into the North Suburban Conference at the beginning of the 1983-84 school year.

"This team is the most talented one that I've ever coached," said Sequoit Coach Tom Baba, adding that "they picked themselves up and knew what they had to do and did it."

Antioch led at the end of the first inning against Waukegan West after John Humphreys hit a solo homer over the center field fence, making him the Sequoits' leading hitter for that game.

Vince Gawrecki was the losing pitcher, finishing up his season, 8-2.

Waukegan West came back to tie-up the game and in the top of the fourth inning Craig Prather led-off with a walk and with one out, Jerry Haling had a base hit, putting runners on first and second.

With two out, Frank Mahar came through for Antioch by hitting a three-run homer.

But the mighty Raiders were not to be outdone. They came back with five runs in the bottom of the fourth to lead 6-4.

Waukegan got their final run in the bottom of the sixth to take them to the sectional finals on Monday, June 6.

project's complete cost.

"That's the only avenue we have. I don't like to borrow money and put the township in debt," said Fields.

"Right now of course we're talking about money we don't really have," Fields added, explaining that the \$88,200 that the township is expecting from federal revenue sharing funds has not as yet been approved in Washington.

"Our legislators lead us to believe that they will be approved," Fields added.

Expenditures include: salaries, \$65,000; hospital and life insurance, \$31,000 and unemployment compensation, \$1,000.

Contractual services include: maintenance for building, \$300; equipment, \$350; workmen's compensation, \$1,500; rental, \$500; liability insurance, \$2,000; general insurance, \$1,200; telephone, \$1,500; utilities, \$4,500 and travel expenses, \$1,000.

Marathon

(Continued from Page 1)

Thirty couples started in the one in Chicago and it was between Boyd and his second partner and one other couple almost to the end when the other couple finally gave up.

After winning that one, Boyd retired to his parents' home for a month of rest.

Boyd still does the old dances but has added rock and roll and all the new ones to his repertoire.

CAPTAIN SENTENCED TO JAIL — In scene from PM&L's production of the "Sly Fox," Lou Jones, left, sentences Capt. Crouch, played by Peter Thelen, to jail as he is held by the bailiff, played by Chris Cary, and the chief of police, played by Frank DiMarco.

Stage review

'Fox' has 4 star cast

by JEAN RYBICKI

PM&L's latest offering, the adult comedy, "Sly Fox," opened on Friday, June 3, to a pleased adult house.

Although the play was fast moving, I found that Larry Gelbart's script left something to be desired. This was definitely a case where the cast, not the play, carried the evening.

Mark Heller, as Simon Able, Lou Jones, as Foxwell Sly and Regina Lightfoot, who played Miss Fancy, all gave four star performances.

And Peter Thelen played the part of Capt. Crouch so well that I found myself hating him because despite

all his forcefulness things always turned out wrong for him.

The funny lines came often and fast and left the audience laughing.

Plaudits go to Tom Hausman the director who took over for Ken Smouse who did the excellent casting job.

"Sly Fox" will continue playing on June 10, 11, 17, 18, at 8:30 p.m., with a 2:30 p.m. matinee on June 12.
